✓ **No automated failures found.** These pages passed every automated check we ran. A manual review is still recommended for the things software can't judge.

WHAT THIS MEANS FOR YOUR VISITORS

Around 1 in 5 people has a disability. On the pages we scanned, nothing automated is standing in their way — which is a genuinely good result.

Where the issues are

Number of individual problems found in each area, across every page scanned.

WANT THESE FIXED?

Our team can remediate your remaining issues and re-audit to confirm you're compliant.

Results by category

Every automated check we ran, grouped by the part of the experience it affects. A category passes only when every check in it passed on every page scanned.

Images & Media

PASSED

2 of 2 checks passed
